ATR VERDICT: MY GIRL DEE MO took a step in the right direction from her first run at Haydock when returning to the same venue and filling the runner-up spot. Hugo Palmer's filly was given an official rating of 81 and she may prove a tough nut to crack if running to that kind of level. Pigeon Pete has finished second on both starts so far and has to be respected, while Lucky Test and Unicorn Milkshake complete the shortlist.

Top Tip: MY GIRL DEE MO (7)

ATR VERDICT: From Afar got off the mark on her second start at Pontefract and the manner of that performance suggested the return to 7f would yield more improvement. That said, whether she can give away a 7lb penalty to TRAPPED GODDESS remains to be seen. The daughter of Sioux Nation ran with plenty of promise when second at Haydock and may well be sharper for the experience. Woollahra and newcomer Capricious Star are others worth considering.

Top Tip: TRAPPED GODDESS (6)

ATR VERDICT: CAVAN LADY makes plenty of appeal on the strength of her Wolverhampton form. The daughter of Ardad had shown plenty of ability in three starts before making her all-weather bow at the Midlands track, and then took her form to a new level when beaten less than a length into third. Perhaps the penny dropped that day and this could be the time to catch her. Catterick second Lion Of Persia heads the list of dangers from Classyfried.
